

*“Prior to taking the Merlin course,
my son took the SAT several times
in an attempt to qualify for a scholarship.
He took the Merlin course in his senior year
and was able to increase his score and
obtain the scholarship. Thank you, Merlin!”*

*

Course designed by former Kaplan
Instructor and Testprep Expert

*

Tuition of \$795

Merlin Test Prep offers thorough, successful preparation for the SAT's by developing one's strengths and improving one's weaknesses. When I saw my test scores increase by 100 points, I knew the money spent was worth while!

*Deanna McCullough
Glenelg Country School, MD*

The Merlin course came so highly recommended that, believe it or not, I asked the Merlin Instructor to conduct the course over the phone between Maryland and the US Virgin Islands. The course exceeded my wildest expectations – my daughter did so well on the SAT that she was admitted to Duke on a full academic scholarship!

*Idola James
St. John, US Virgin Islands*

THE MERLIN SAT COURSE

The Merlin course content is a subtle blend of knowledge and strategy; it channels and enhances the student's knowledge and uses creative strategies to maximize the student's score. The course was designed by Mr. Ritchie, a testprep expert who has also successfully designed courses for the LSAT and the Bar Exam. Mr. Ritchie was featured on Fox Television's special on the SAT. He worked for Kaplan in New York as an Instructor, Manager, and Teacher-Trainer. He has combined his Engineering, Analytical, and Legal skills [BS and MS degrees in Engineering; JD - Georgetown Law; Member of the Maryland Bar] to create a novel and highly effective approach to test preparation.

This is an outstanding service; the course brought out the best in our daughter. She had a 230 point increase and was admitted to the Scholars' Program for College.

*Dr. and Mrs. Griffiths
Silver Spring, MD*

Merlin's combination of Math and Verbal techniques, testing strategies, personal attention and flexibility resulted in a very successful course. My SAT score increased by 200 points.
